

“Men like Henry George are rare, unfortunately. One cannot imagine a more beautiful combination of intellectual keenness, artistic form, and fervent love of justice.”

— Albert Einstein

Do you know anything about Henry George? He lived in San Francisco during 19th century. He has done what nobody else has ever done: He discovered the root cause of all the social injustices.

Find out more about him and his theory at the School of Henry George, San Francisco. An introductory class is offered only at \$25. The School is located near Montgomery BART station.
